#### תודות

ראשית ברצוני להודות לחבר, רום גביש, על התמיכה והעזרה בבניית ממשק יפה ונוח לשימוש על פי אדיאולוגיות עיצוביות של גוגל - 'מטריאל'.

כמו כן, אני מודה לאמי אשר עזרה לי באפיון המערכת ועזרה בפתירת בעיות אלגוריתמיות.

תודה אחרונה וחשובה, למשפחתי המדהימה אשר סיפקה עבורי סביבת למידה תומכת מועדדת ושקטה.
